

WORLD AT WAR

AdeptiCon Bolt Action Doubles

EVENT SUMMARY

Players will participate in a total of 3 rounds of team doubles game play. Each game will be 2.5 hours long with lunch and regular breaks between games. Two players will form a team, either Axis or Allied. No German-USA teams for example. Players do not need to have the same nation. For example, Italy-Japan could be a team. Russia-Great Britain, USA-USA etc.

- We **strongly** encourage players to join forces with a sense of history in mind. ***THIS IS A FUN EVENT. A\$\$holes and jerk-faces need not apply.***
- Match-ups will be predetermined for games 1-2, and game 3 will be based on battle score.
- Red vs Blue match-ups will be made to the best of our abilities. Track the current team registrants here. <http://chefofwar.blogspot.com/p/adepticon-doubles.html>
- There will be a theme score involved in the overall scoring. ***Please take this seriously.***

Your army must be painted to a minimum standard of 3 colors, plus a base. The base must be painted or flocked. No unpainted armies or figures will be allowed.

Warlord FAQ and Errata

DEPLOYMENT CLAUSE (Familiarize yourself, this is used in all missions)

This deployment clause applies to ANY and ALL missions. What this means is this is the same deployment protocol for all the missions used. UNLESS the mission specifically makes exceptions.

Both teams roll a die. The highest rolling team chooses a deployment zone, the other team sets up in the opposite zone. The team who chose their zone first, deploys his force first.

Both teams *may* keep *up* to half their units in reserve, rounding down. Any and all units not in reserve are deployed in the established zones as per the mission.

Reserves *may* outflank unless specified in the mission.

Spotters, observers, and snipers are deployed *after* both teams have placed their non-reserved units. As per the rules on page 131.
