Once you and your opponent are at your table, simultaneously select your army list and review your opponent's selection. Take a few minutes to answer questions on your list. You may begin game setup, per the Game Mode. Once complete, lay out your deck, face-up, in front of your opponent. Shuffle and count out your deck face down in front of your opponent to prove you have 20 tactics cards. Cut your opponent's deck (if you choose to do so) after they have done the same. Best of luck to you both.

Adepticon CMON Tournament Scoring Method

For this Tourney, the basis of scoring will follow the current *Tournament Guidelines document (v1.6) [Tournament Points, Secondary Points, Unit Points (Total Points of Destroyed Units)]* as found in ASOIAFStats. If the judge rules there is too little time to continue, please count up the unit cost of all units destroyed and compare. Draws are meant to be rare but may happen.

As Adepticon is founded on Sportsmanship and the Hobby (Painting) in general, we are layering those scoring elements on top, outside of ASOIAFStats.

Sportsmanship:

Adepticon encourages the highest levels of sportsmanship of its attendees. (See the Adepticon Code of Conduct) We do wish to recognize those players who go out of their way to ensure the experience is positive for all. We utilize a simple checklist on the scoring sheet.

On the final sportsmanship scoring sheet, we would like you to specify your favorite opponent.

Appearance: (Distributed during Pregame of the round, collected by the judges)

To be clear, you do not have to have a painted army to play in the championship.

Adepticon encourages the full Hobby experience. Painting is not mandatory but encouraged.

Appearance scoring sheets will be distributed during PreGame. Player's Choice will be selected on the last painting sheet.

Awards:

Tables:

For the Championship, the games will be played on the 4'x4' space specified at your table. It may be tight quarters. Please do not exceed your portion, and be kind to your neighbors. The position of the tactics board is specified on each table. Please use that space. Please be cautious with chairs around gaming tables as people will likely store items under the table.

Terrain

Choose 1 player by die roll or mutual agreement. That player rolls the d3+2 per the Randomized Pool rules on Pg26 of the Rulebook. Players alternate rolling 2d6, consulting the Randomized Pool table. ***No terrain piece may be represented more than twice. If a piece would be a 3rd of that type, the player may select the terrain from that available at the table as long as it is not a 3rd piece of a terrain type placed.*** After you determine all pieces, alternate placing the terrain pieces on the board per the rulebook.
