BASIC RULES FOR ALL ADEPTICON 40K EVENTS

- All players are expected to abide by the AdeptiCon Conduct Policy.
- The models used in your army must comply with the AdeptiCon Model Policy.
  - Note: If there is a Warhammer Community Live-stream and you are interested in participating, *all* models used *must be* official Games Workshop models.
- AdeptiCon Tournament Judges' and Officers' rulings are final and arguments or poor conduct will not be tolerated. AdeptiCon reserves the right to remove players from the event or AdeptiCon itself with no refunds allowed.
- The Warhammer 40,000 10th Edition Rules and all relevant Official Games Workshop Errata and FAQs will be used. In the case of a conflict between a printed and digital version, the most recent update or FAQ will take precedence.
- Warhammer 40,000 10th Edition Codices/Indexes and the most recent matched play materials released on or prior to *March 2, 2024* are allowed. No major format changes will be after *March 9, 2024*.
  - If you use the Warhammer 40K App we recommend you turn off auto-updating on your mobile device on March 2, 2024 so that your app has the correct information.
- The event will use terrain layouts from the Leviathan Tournament Companion as modified by the AdeptiCon 40K Terrain Pack. +++HYPERLINK COMING+++
- Unless marked for matched play (or specifically called out by the event organizer), units, options, and other material/rules are not allowed.
- Imperial Armor units (Forge World) marked for matched play are allowed.
- If illegal models, units or other rules violations are found, at a minimum, the models in violation will be removed from all subsequent play. Tournament points may be deducted, and award eligibility may be forfeited. Please use the 40K@adepticon.org address to ask any questions you or your club may have regarding rules issues or legal units in advance!

EVENT SPECIFIC RULES

- Please note that this tournament is a light-hearted event, designed with lots of whacky things going on. In order to help us maintain the friendly and fun atmosphere, if we feel your list is of an unfriendly nature and is not in the spirit of this tournament, we will kindly ask you to modify your force a little.
- Please note, if you are looking for a serious tournament, *this is not the one for you!* AdeptiCon offers plenty of serious tournaments and you would be better off seeking out a ticket for one of those.
- Armies must consist of 1500 points or less.
- Tips for list building:
  - Do not spam a unit.
  - Battle line units will grant bonuses.
  - This is the event you take that unit you would never take to a competitive game.
- Players **MUST** use the same army list throughout the tournament.
- The event will be using custom/themed scenarios designed for The Friendly.
  - For all you Back to the Future fans, the theme for 2024 is "Going Back in Time!".
- On the day, players will be split into teams of approx. 13 and "compete" for prizes individually and as a team.
- The number one rule is, of course, be friendly and have fun!
